V = Vehicle Bracket    W = Wall Bracket    HP = High Performance  
\* Only with Medium Duty Bracket

**Step 2** Customize with the following bracket options: \_\_\_\_\_

**Standard Bracket Included**

**Class A:** Paper, Wood, Cloth, Rubber, etc...  
**Class B:** Flammable Liquids such as Gasoline, Oil, Paints, Solvents, etc...  
**Class C:** Live electrical equipment

**Optional Brackets At Extra Cost**

**NOTE:** Standard brackets are included with all extinguishers at no additional cost. If specified, optional brackets are only available at additional cost. All of the above brackets are designed to accommodate Strike First's extinguishers. While most comparable sized extinguishers usually will function with the above brackets, Strike First cannot assume responsibility for variations in cylinder dimensions among various extinguisher suppliers.
